Proclamation

Event: National Public Works Week

Date: May 19 to 25, 2024

“Whereas public works professionals focus on infrastructure, facilities and services that are of vital importance to sustainable and resilient communities and to the public health, high quality of life and well-being of the people of the County of Northumberland; and

Whereas these infrastructure, facilities and services could not be provided without the dedicated efforts of public works professionals, who are engineers, managers, and employees at all levels of government and the private sector, who are responsible for re-building, improving, and protecting our nation’s transportation, water supply, water treatment and solid waste systems, public buildings, and other structures and facilities essential for our citizens; and

Whereas it is in the public interest for the citizens, civic leaders, and children in the County of Northumberland to gain knowledge of and to maintain an ongoing interest and understanding of the importance of public works and public works programs in their respective communities; and

Whereas the year 2024 marks the 64th annual National Public Works Week sponsored by the Canadian/American Public Works Association;

Now Therefore Be It Resolved That I, Warden Brian Ostrander, on behalf of Northumberland County Council, do hereby proclaim May 19 to 25, 2024 to be ‘National Public Works Week’ in Northumberland County, and urge all citizens to join with representatives of the Canadian Public Works Association/American Public Works Association and government agencies in paying tribute to our public works professionals, engineers, managers, and employees, and to recognize the substantial contributions they make to protecting our national health, safety, and quality of life.”

Dated this 15th day of May, 2024

Brian Ostrander, Warden
