

## CORPORATION OF THE COUNTY OF NORTHUMBERLAND

For The Year Ended December 31, 2023

### MANAGEMENT REPORT

The accompanying consolidated financial statements of the Corporation of the County of Northumberland are the responsibility of management and have been approved by Council.

The consolidated financial statements have been prepared by management in accordance with Canadian Public Sector Accounting Standards. Financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The County maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the County's assets are appropriately accounted for and adequately safeguarded.

The County's Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving financial statements.

Council reviews and approves the County's financial statements for issuance to the members of Council, inhabitants and ratepayers of the Corporation of the County of Northumberland. Council meets periodically with management, as well as the external auditor, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities and to review the financial statements and the independent auditor's report.

The consolidated financial statements have been audited by Baker Tilly KDN LLP in accordance with Canadian generally accepted auditing standards on behalf of the County. Baker Tilly KDN LLP has full and free access to Council.
