

Whereas Ontario municipal governments play an integral role in the health care system through responsibilities in public health, long-term care, paramedicine, and other investments; and,

Whereas the percentage of family physicians practicing comprehensive family medicine has declined from 77 in 2008 to 65 percent in 2022; and,

Whereas per capita health-care spending in Ontario is the lowest of all provinces in Canada, and,

Whereas a robust workforce developed through a provincial, sector-wide health human resources strategy would significantly improve access to health services across the province;

Now Therefore Be It Resolved That the Council of the County of Frontenac urges the Province of Ontario to recognize the physician shortage in Frontenac County and Ontario, to fund health care appropriately, and ensure every Ontarian has access to physician care.

Carried
