ART GALLERY OF
NORTHUMBERLAND

Public Regional Art Galley

We are a collecting gallery. The stewards of over 1,400 works of art. In 2024, we acquired works for our collection, continuing to digitize each work.

We collect, preserve, present, and interpret works of art. We ignite the power of art, embracing our responsibility to engage and educate our community, contribute to cultural knowledge and advance creative endeavour.

We secured federal funding from the Museums Assistance Program (MAP) to support research, produce a catalogue, deliver an exhibition and facilitate the exhibition's travel. An example of this financial support is our current exhibition: *A Collection Built on Relationships* Inuit Art from our Permanent Collection.

We are **YOUR** gallery.
